1. The calculated ratings are used to determine who is eligible to officially represent Alberta in the Closed Canadian Amateur Championships. These ratings are independently calculated for the Latin and Standard divisions.
2. Points are awarded to DSAB registered couples who reach the final of DSAB sanctioned Championship or Open competition as follows:

<i>Placing</i>	<i>Score</i>
1st placed DSAB couple.....	6
2nd placed DSAB couple .....	5
3rd placed DSAB couple .....	4
4th placed DSAB couple .....	3
5th placed DSAB couple .....	2
6th placed DSAB couple .....	1

3. A couple's best three results in the past "rating year" are added together to determine the total rating for the couple. Thus a maximum of 18 points (3 x 6) is possible.
4. The "rating year" is the 12 month period ending with the most recent DSAB sanctioned event.
5. In the event of a tie in the ratings in either division, all events during the last "rating year" shall be used, and the couple with the most points will be the official Alberta representative.
6. If one couple is ranked first in both Standard and Latin divisions,
  - a. then they shall rightfully be the Official representative for both divisions but only receive one scholarship.
  - b. The 2<sup>nd</sup> scholarship will fall to the couple with the next highest points.
  - c. If two different couples are ranked second in each division, the couple with the most points will win the scholarship.
  - d. If the 2<sup>nd</sup> place couples tie for points the money will be split.
7. An Official Alberta Representative in Canadian Closed Amateur Championships must accumulate a minimum of six points as described in point two above.
