7.08 Selection of Canadian Representatives to International events: {effective March 20, 2016}

All decisions respecting Canadian entries in WDSF World (Open and Closed) Championships are at the absolute discretion of the CDS Board. For further clarification, but not to limit the generality of the preceding sentence, neither the CDS Board nor the CDS General Meeting is obliged to choose any certain couple for entry in WDSF World (Open and Closed) Championships. CDS does not have any obligation to any couple registered in CRAD to enter them in any WDSF World (Open and Closed) Championship, or to enter any Canadian couple in any WDSF World (Open and Closed) Championship in any year. Entry by Canadian couples in WDSF World (Open and Closed) Championships is a privilege, not a right, and is based on all considerations which the CDS Board or CDS General Meeting chooses in their absolute discretion to take into account.

Once an entry in a WDSF World (Open and Closed) Championship is made by CDS, it can be revoked by the Board in its absolute discretion and replaced by another entry in its absolute discretion, or not replaced by any entry whatsoever, as the CDS Board or the CDS General Meeting in its absolute discretion deems to be in the best interests of the sport.

All couples wishing to compete in a WDSF Closed and Open World Championships must compete in the Canadian Closed Championships and its qualifiers in that same year at the same age and style that they wish to compete in at the WDSF World Closed and WDSF World Open Championships.

The selection of CDS representatives to the WDSF World Championships or WDSF World Cups will be decided by the CDS Board after each night of the Canadian Closed Championships. If a couple notifies CDS and/or CDS becomes aware of and confirms that the couple has split then the couple will be taken off the list and will not be considered for future invitations. It will be at the CDS Board's discretion if athletes who have competed in National, Continental, or World Championships/Cups of another Dancesport system will receive financial bursary to represent CDS at WDSF World Championships or Cups. {effective March 20, 2017}

- 7.09 No couple may participate in any category at the Canadian Closed Championship in a calendar year unless both members of the couple competed, in the exact same category, with each other in the DanceSport Competition designated by their Regional Board as the Official Regional Qualifying Competition, with that Official Regional Qualifying Competition being held in the same calendar year as the Canadian Closed Championship. Only one Official Regional Qualifying competition can be designated by each Regional Board. All couples from that Region must compete in this one Official Regional Qualifying Competition in order to qualify to compete in the Canadian Closed Championships. Each Regional Board shall provide to the promoter of any Canadian Closed Championship a list of competing couples, who are eligible to compete under this Rule, a minimum of 3 weeks prior to the event. An Athlete can only compete in one Official Regional Qualifying Competition per year.

The Regional Board must submit the name and date of the Official Regional Qualifying Competition for the Canadian Closed Championship to the CDS Board no later than September 1st of the year prior to the next Canadian Closed Championship. The date of each Regional's Association Official Qualifying Competition for the Canadian Closed Championship must be held a minimum of 3 weeks prior to the Canadian Closed Championship. The date of each Regional's Association Official Qualifying Competition for the Canadian Closed Championship will be published on the CDS and Regional Association web sites.

Notwithstanding this requirement, the CDS Board may waive the application of this Rule in an exceptional case where a couple has not competed in the Official Regional Qualifying Competition. An application for a waiver must be filed with the CDS Board by the Regional Board prior to their Official Regional Qualifying Competition or no later than 5 days after their Official Regional Qualifying Competition. The CDS Board may add certain conditions which must be met in order to grant such a waiver. A waiver may be granted if a couple's CCC Regional Qualifier is the same weekend as a WDSF World Championship that they are competing in. In such cases the couple must compete at a subsequent CDS recognized Canadian Closed or Canadian Open

Championship prior to competing in any subsequent WDSF World Championship or World Cup. No waiver will be granted for a new partnership that was created after the Official Regional Qualifying Competition of their Regional Association.

The Statement on the Entry Form, which must be completed and signed by all Canadian Closed Competitors, shall read as follows:

[I competed or will be competing with the same partner in the Official Regional Qualifying Competition in the exact same category for which we wish to enter these Canadian Closed Championships] followed by a "Yes" and a "No" box for a response and both their signatures. {effective March 20, 2017}

The promoter shall not accept any such entry form unless the Statement above is completed.

- 7.10 At the Championship level, Athlete may not compete with more than one partner in the same discipline (Standard, Latin, Rhythm, or Smooth) at an event. An event covers multi day competitions. An Athlete may have a different partner for a different discipline. {effective April 1, 2010}
- 7.11 A competitor who is part of the WDSF DanceSport system and who has competed in any World and/or Continental Championship or Cup in a different DanceSport system may, at the discretion of that competitor's WDSF Member Body be permitted to compete and/or represent any country in any World and/or Continental WDSF Championship, or any WDSF Cup competition, any WDSF Grand Slam competition, the Asian Games, the Asian Indoor Games, any WDSF Games, the World Games or any future Olympic-level Games until a period of 12 months has elapsed since the last representation. {effective October 4, 2015}

[For instance, should the highest placing 10-Dance couple be third in one dance, his result would count as first for the 10-Dance calculation in that dance. If the next highest 10-Dance couple in this same dance is placed sixth, his result would count as second in that dance in the 10-Dance calculation. If the next highest 10-Dance couples are not in the final of a dance, they are placed by comparing the highest number of recalls in a specific round – reference may be made to an Article written by Jackie Rogers, Chairman, NDCA Scrutineering Committee].

CANADA DANCESPORT PROFESSIONAL DIVISION COMPETITION RULES

SCHEDULE K

CANADA DANCESPORT ADJUDICATORS CODE OF CONDUCT

This Code of Conduct (“the Code”) is a framework of standards for conduct and ethics for adjudicators.

The Code applies to all adjudicators and Chairmen (hereinafter referred to collectively as “adjudicators”) hired by CDS or its Regional Associations to work at any CDS or Regional association sanctioned competition.

The rules and standards set out in the Code assist adjudicators to establish appropriate standards of conduct in order that they have the confidence of their peers, the competitors they are judging, the CDS and CDS Regional Associations utilising their services, other sports administration bodies including IOC, and the sports media and general public.

It must be recognised that the Code cannot anticipate all possible situations in which adjudicators may be called upon to exercise judgement. In all cases, it remains the ultimate responsibility of each individual adjudicator to consider the intent as well as the letter of the standards, which have been set, to conduct himself/herself in an ethical and professional manner, and to ensure all competitors are judged on their merits free from any bias or coercion.

1. Conflict of Interest

A Conflict of Interest is any interest, relationship, association or activity that is incompatible with an adjudicator’s obligations to ensure that all competitors are judged on their merits, free from any bias or coercion.

Conflicts of Interest arise in particular when the personal interests of an adjudicator influence that adjudicator’s judgement or ability to act in the best interest of CDS or its Regional Associations, which is the same as the best interest of the competitors.

An adjudicator must adhere to the rules set out in this Code, and shall retire from the panel where any potential Conflict of Interest arises.

2. Rules for Adjudicators

- a. An adjudicator shall not judge in any event and shall retire from the panel, if s/he knows or believes that his/her physical or mental condition does not allow him/her to perform the job properly without any limitations.
- b. An adjudicator shall not judge any event, and shall retire from the panel, where any person competing in that competition is a member of his/her immediate and extended family, including defacto relationships, or where s/he has a personal relationship to any competitor in the competition which makes it inappropriate for him/her to serve as an adjudicator. For greater clarity, the words “immediate and extended family” include anyone to whom that judge is related by blood or marriage, to the degree of first cousin or closer, or adoption order, or with whom the judge lives or cohabits.
- c. An adjudicator shall not accept money, awards, articles or things of substantial material value, or favours or promises of any future consideration, whether as gift or as payment for services, from any competitor or organiser, or from any other third party, who may be or may have been affected directly or indirectly by the adjudicator’s decision.
- d. An adjudicator shall not make any false representation in respect of his/her accreditation level or experience and in relation to his/her adjudicators licence.
- e. Once an adjudicator is engaged to officiate at a particular event s/he can only act as an adjudicator throughout the event and this Code applies to the event as a whole.
- f. An adjudicator shall not coach, teach, or give any advice to any participating couple during an event at which he/she is judging.
- g. An adjudicator shall not threaten to mark a couple in a particular way.
- h. An adjudicator shall not in any way threaten a couple during the conduct of a competition s/he is judging and in which the couple is competing.

- i. An adjudicator shall refrain from publicly taking any partisan position in respect of any couple he/she may judge in any competition.
- j. An adjudicator shall not seek by any means to improperly influence, or to intimidate, another adjudicator.
- k. An adjudicator who is not a member of the judging panel for an event, shall not discuss with any adjudicator who is a member of the judging panel for that event the merits of the performance of a competitor in that event or any previous performances or results, before the completion of the event.
- l. An adjudicator shall not discuss the merits of a competitor's performance with the competitor before the end of the event in which s/he is judging.
- m. An adjudicator shall not seek to influence the outcome of a competition other than by marking all couples in the competition on their merits
- n. An adjudicator when appointed to judge a CDS or Regional association sanctioned competition has to judge strictly according to CDS rules and policies.
- o. An adjudicator shall not engage in any conduct that is intended to gain an advantage for any competitor
- p. An adjudicator shall not falsely claim to officially represent CDS in any capacity.
- q. If an adjudicator converses with fellow adjudicators, spectators, competitors or coaches during an event, s/he may not discuss the performance of any couple s/he is judging or any of their previous performances or results, until after the end of the event.
- r. An adjudicator may not use mobile telephones or portable digital-information devices of any kind on or near to the competition floor during judging.

3. General Behaviour of Adjudicators

Adjudicators shall comply with the following rules of conduct so as to uphold the highest standards of behaviour:

- a. An adjudicator's behaviour both on and off the dance floor must be consistent with the principles of good sportsmanship. An adjudicator must not behave in a questionable or unseemly manner in public or at any Dance Sport related function or occasion where members of the public (including competitors, spectators and the media) are present in any capacity.
- b. An adjudicator must be consistent, objective and neutral in his/her decisions. Biased judging undermines the whole basis of competition.
- c. An adjudicator must not publicly question his/her fellow adjudicators' judgement, honesty or good faith.
- d. Where an adjudicator is permitted by this Code to judge the couples s/he coaches or has coached in the past, the adjudicator should not allow this relationship to influence his/her judgement.

- f. An adjudicator shall not otherwise act in any way that may bring the image of CDS or Dance Sport into disrepute.

It is a basic requirement of the adjudicator's licence that any adjudicator engaged to judge at a competition shall

- a. Arrive on time at the venue in reasonable physical and mental condition.
- b. Report his/her presence to the organiser and Chair of Adjudicators.
- c. Ascertain the timetable of the competitions.
- d. Be available to perform the duties of an adjudicator as scheduled.
- e. Behave in such a way during the competition as to preserve the good reputation of DanceSport and CDS.

During the conduct of a competition, the adjudicators on the judging panel shall:

- a. Stand apart from one another and at such locations that they do not interfere with the competitors.
- b. Move to whatever position is required to see all of the couples.
- c. Judge independently and not compare notes with the other adjudicators.
- d. Mark and sign their paper score cards in ink, including their code letter, and initial each and every alteration s/he makes to the score card.

- f. Follow any instruction given by the Chair.
- g. Concentrate on judging only and not have any communication with the audience, fellow adjudicators or couples and not do anything that might distract him/her, including by the use of any electronic device or camera.

4. Complaints about Adjudicators during a Competition

During a competition the Chair nominated or confirmed by CDS or its Regional Associations is authorized and obliged to observe the compliance of all licensed adjudicators with the Code, whether they be engaged in the competition or not.

Any complaints regarding the breach of Code during the competition, should be made by an official representative of CDS or its Regional Associations in writing and shall be addressed to the Chair, provided always that anyone may make such a complaint to the Chair when an official representative of CDS or its Regional Associations is unable or unwilling to do so.

If the Chair has reason to believe that there has been a breach of the Code by an adjudicator on the panel of which s/he is Chair, then s/he is empowered and obliged to notify such adjudicator of the complaint against him/her, hear him/her in reply, and then take appropriate action immediately according to the terms of the Code.

The Chair shall have the power to reprimand or replace the adjudicator by an appropriate substitute for the remainder of the competition.

The Chair shall document any incident or observation of alleged or suspected misconduct by an adjudicator, and any reprimand or replacement of an adjudicator, and include it in a written report to CDS or its Regional Associations who shall decide whether there is the need to initiate a further investigation.

5. Other Complaints about Adjudicators

Any other complaints about an alleged breach of the Code after the results of the competition have been announced must be submitted by the person in writing to CDS or its Regional Association member.

A complaint shall not be considered unless the following lodgement criteria are met:
